

Our Riding School

Horse riding is an art... The art is to make both people and the horses happy. That is why we place great importance on the right, sensitive and individual communication with our horses and on the right attitude of the horse. Our horses spend most of the day in the herd on the huge pasture, with their friends and relatives - so that the rider has a balanced and happy time. Please note that each of our horses has an individual weight limit of up to 85 kg for beginners and 99 kg for advanced riders. We mainly do the riding lessons in the afternoon. Our riding experts Lissy and Jassy look forward to see you!

PARENT-CHILD-COURSE (Our pedagogical riding concept) for children aged 3–7

For horse enthusiasts under the age of 7

Our parent-child courses offer: A fear-free introduction to ponies and horses, learning the basic rules for handling horses, horse care, first riding experiences, pony games.

What do mum or dad learn? Safe handling of horse and child, horse care, working with horse and child from the ground, valuable information about horses and riding. Please wear sturdy shoes.

What does the child learn? Getting to know the horse as a four-legged friend, rules for handling the horse, horse care, first riding experiences, knowledge and information, development of gross and fine motor skills. Please bring sturdy shoes, long trousers and possibly a helmet. bring a helmet

RIDING LESSONS for children and adults from 7 years

Children and adults are welcome to learn to ride from scratch or improve their riding skills with certified riding instructors. Beginners from the age of 7 start with half an hour of riding lessons, where we teach the basics of leading and riding. Beginners and riders with previous knowledge from the age of 8 can start with one hour lesson, where we first groom and saddle the horse and then learn the basics of leading and riding.

GUIDED RIDES

Experienced riders (meaning they can ride all gaits freely on the ground) can take part in guided rides, in our highlight: we ride on one of the 7 most beautiful scenic spots in South Tyrol.

MUST HAVE for riding

Long pants, sturdy shoes, and a helmet (bike helmets are also acceptable). If you don't have a helmet, we'll lend you one for free. You're welcome to bring any additional riding gear such as breeches, vests, etc. if available – but it's not required. A little tip: beginners should avoid high riding boots (the stiff plastic often restricts ankle movement); instead, choose ankle boots, riding shoes, or sturdy shoes.
